Ardelyx to Report Second Quarter 2015 Financial Results on August 12, 2015

FREMONT, Calif., Aug. 5, 2015 /PRNewswire/ -- Ardelyx, Inc. (NASDAQ: ARDX), a clinical-stage biopharmaceutical company focused on gastrointestinal and cardio-renal diseases, today announced that it will report second quarter 2015 financial results on Wednesday, August 12, 2015. Following the announcement, the Ardelyx management team will host a live conference call and webcast at 8:00am Eastern Time to review the Company's financial results and provide a business update.

The live webcast can be accessed by visiting the investor section of Ardelyx's website at ir.ardelyx.com. Please connect to the Company's website at least 15 minutes prior to the live webcast to ensure adequate time for any software download that may be needed to access the webcast. Alternatively, please call 1-855-296-9612 (US) or 920-663-6277 (International) to listen to the conference call. The conference ID number for the live call will be 97651804. Following the webcast, an archived version of the call will be available on the Company's website until August 26, 2015.

About Ardelyx

Ardelyx is a clinical-stage biopharmaceutical company focused on the discovery, development and commercialization of innovative, minimally-systemic, small molecule therapeutics that work exclusively in the gastrointestinal tract to treat gastrointestinal and cardio-renal diseases. Ardelyx has developed a proprietary drug discovery and design platform enabling it, in a rapid and cost-efficient manner, to discover and design novel drug candidates. Utilizing this platform, the Company has discovered and designed tenapanor, which it is evaluating for the treatment of IBS-C and hyperphosphatemia in chronic kidney disease patients on dialysis. In addition to tenapanor, Ardelyx is developing RDX022, a non-absorbed polymer for the treatment of hyperkalemia, or high potassium, in kidney and heart disease patients, and has discovered small molecule NaP2b inhibitors for the treatment of hyperphosphatemia in CKD patients on dialysis, a program licensed to Sanofi. Ardelyx is also independently advancing several research programs focused in gastrointestinal and cardio-renal diseases. Ardelyx is located in Fremont, California. For more information, please visit Ardelyx's website at www.ardelyx.com.
